Sudah belasan tahun sejak terakhir kali **Birru** melihat **Jahe**, anak tetangga sebelah rumah yang sudah dia anggap sebagai adiknya sendiri. Namun kini sosok Jahe kembali muncul di hadapannya, terasa asing namun juga tidak di saat yang bersamaan.

Birru kira pertemuan ini akan menjadi reuni yang menggemaskan antara kakak dan adik yang lama terpisah namun dia salah besar. Satu hal yang tidak Birru bayangkan sebelumnya, Jahe terang-terangan mengejarnya.

Bagi Birru yang gay dan menyukai pria yang lebih tua darinya, jelas Jahe tidak masuk kriterianya. Sama sekali.

Kan?

Bagi **Dian** mutasi "paksa"nya dari gedung perkantoran tinggi ke pabrik anak perusahaan di kabupaten adalah tantangan untuk integritasnya. Namun dihari pertamanya di sana, dia dihadapkan dengan **Rosa**, seorang Engineer kaku yang menginjak egonya hingga rata dengan lantai pabrik yang dingin

Di tengah deru suara mesin dan tumpukan angka-angka yang harus Dian Efisiensikan, hari-harinya kini dipenuhi adu mulut receh dengan wanita itu. Akankah pertemuannya dengan Rosa hanya menjadi masalah baru baginya, atau malah meberikan frekuensi lain, misalanya, cinta?
