"MY EXTRA-TERRESTRIAL'S EXTRA ORDINARY LIFE" / M.E.T.E.O.L. (2026)

NEW

| **Original** Comic | **A5** | **60** Pages | **BnW** HVS Paper|
| **English** | **School-Life, Comedy, Supernatural** |

Summary

Mai always believed she could survive from living an ordinary lonely life as a broke mid-school girl. Until she was offered an absurdly high-paying job: "**became friends with** the transfer student..." who apparently are twins and secretly **suspected** to be... **extra-terrestrials**?!

Trapped between chaotic school life and bizarre things the two alien beings bring, Mai's once ordinary world spirals into an **extra-ordinary life** far away beyond her imagination!
