HOW TO RAISE: CENTAUR

Original zine
40 page B5 full color

As the experiment with *The [■■■■■■■]*, Aleph transformed into Centaur... which we haven't see any even from our higher ups records. We took this chance as making this journal as if happen, that Centaur re-appears and seeking for assistances. This journal records Centaur anatomy, social, diet, and some health issues.
Also few documentations of our journey :>
